THE ARIZONA ROOM PROUDLY
SUPPORTS LOCAL FARMERS & BUSINESSES

The Arizona Room is not just the name of the restaurant, but the inspiration behind its cuisine. This newly enhanced dining experience tells the epicurean story about the native ingredients, flavors, and history of Arizona and its people with an emphasis on heritage/heirloom ingredients ranging from Blue Corn to Tepary Beans. These indigenous foods are more colorful and more nutritious. Whenever possible, these specialty items are sourced from Arizona family farms and ranches and Native American businesses. Supporting small farms and artisan producers is good for Arizona, and using their products is good for the consumer. Our culinary team combines these ingredients with the freshest and most sustainable meats, fish, and produce available, creating a delicious, educational, and memorable dining experience.
