

WELCOME TO THE
HISTORIC HARVEY HOUSE CAFÉ
 AT THE BRIGHT ANGEL LODGE

Our Dining Philosophy

At Grand Canyon National Park Lodges, we believe that increasing the sustainability of natural systems is not just good business, it is the right thing to do. The Majority of our menu items feature sustainable ingredients, and in many cases are locally sourced. Sourcing locally along with recycling, composting and water management are a few of the ways we try to do our part to reduce the effects of global warming.

We are also committed to providing our guests with a variety of options to help promote a healthy lifestyle.
